Trusted in ship machinery and spare parts
(New, Reconditioned & Reusable)

Trusted Stockiest / Suppliers of Ship Machinery and Spares

With over a decade of experience, Shivam Trade Link has established itself as a reliable name in the ship machinery and spares business. We specialize in supplying complete machinery and new/reusable spares sourced from ships demolished at Alang Ship Recycling Yard, India.

Our journey

Founded in 1995, Shivam Trade Link has built a reputation for delivering high-quality ship machinery and spares. Our success is rooted in our commitment to consistent quality supply.

Expertise

Our key expertise lies in supplying complete units and new/reusable spares for ship machinery. We also offer machinery run testing, pressure testing, and comprehensive inspection facilities at our warehouse.

Global Supply Capabilities

Shivam Trade Link has the capabilities to supply ship machinery and spares worldwide, both offshore and onshore. Our technical team provides expert machinery testing, reconditioning, and delivery operations.

Infrastructure

Our 20,000 sq. ft. warehouse is equipped with modern tools and material handling equipment, located just 300 meters from Alang Ship Recycling Yard, India.
